

It has come to our attention that you may have an overlapping loan issue with your federal educational loan(s) that you recently received at another school. This typically happens when you stop attending a previous school but have not officially withdrawn from that school.

Please contact the financial aid office of your previous school as soon as possible. Please let them know that you will be attending University College and you need your pending loan disbursements cancelled and your loan period updated.

Once you have contacted your previous school, please email us at financialaid@uc.apu.edu and let us know which school you attended, along with the name and phone number of the person you spoke with. This will enable us to follow up with your school if we notice any delays in getting this information updated.

If you have questions regarding this situation, please contact Student Financial Services at the number listed below.
